Mailing Address _____ City _____ Zip _____

Fence Site _____

What materials will the fence be constructed of? _____

Will the fence be transparent? _____ Will the fence be on a corner lot? _____

*All fences built within Hinckley Town shall meet the minimum setback requirements including non-permitted projects.

Side Yards and Rear Yards. On any lot, side or rear fences shall not exceed 6 feet in height.

Front Yards. Front yards shall match the front yard setback (minimum 30'). Fences in front yards shall be allowed provided that fences allow at least 75% visibility shall not exceed 6 feet, and fencing that is constructed of solid, closed material allowing less than 75% visibility shall not exceed 3 feet.

Corner Lots. In addition to the other provisions, fences located on corner lots that front a street, height up to 6 feet shall be allowed on side and rear yards beyond the front yard setback.

Please draw a simple site diagram of the requested project or attach a site diagram to this form.
